

# Soil Testing Farmer Workshop

Join local agronomists, fellow farmers and Department of Primary Industries and Regional Development officers to find out how to make the most out of your farm nutrient mapping report.

This soil testing farmer workshop is open to farmers that have previously participated in a soil testing program. This is a great opportunity to refresh your interpretation skills and share your experiences with other farmers. Places are limited so confirm your seat ASAP.

The workshop will cover:

- Soil sampling
- Interpreting your soil test results
- What's in your mapping report
- Understanding limits and constraints
- Fertiliser strategies
- Results from pasture trials
- Question time with agronomists and Department of Primary Industries and Regional Development officers

Please bring recent soil test data and a smartphone or tablet if available.

**When\*:** Tuesday 19 February 2019      **Time:** 9:45am – 2:00pm

**Where:** Pinjarra Civic Centre, 1915 Pinjarra Rd, Pinjarra

**RSVP:** Contact Megan Leroy before 12 February 2019

[Megan.leroy@peel-Harvey.org.au](mailto:Megan.leroy@peel-Harvey.org.au) or 9733 2628

Lunch will be provided. Please advise of dietary requirements with your RSVP.

\* If this date doesn't suit you, you are welcome to attend a workshop in another catchment: Feb 20-21: Albany, Feb 26: Bunbury, Feb 27: Busselton, Feb 28: Alexandra Bridge. Please contact Megan for info on how to RSVP for a different workshop.
