1. **Declarations of Interest** [All]

2. **Confirmation of Minutes of Previous Meeting** [All]

Attached minutes of meeting held on 06 August 2019 be confirmed as a true and correct record of the meeting.

3. **Mayfield Project** [PDM]

#### Brief site status report:

- Millers
- Blacks
- Hordacre
- Butlers
- Yundathana
- Waraba
- Kentish

See attached summary of status. Construction completion due: end of FY19/20. Expenditure. Post construction monitoring philosophy and options.

4. **Peel Main Drain offline water treatment project: Variation of Time & Budget** [JO]

- WaterCorp Commitment to construction (refer **attached letter**)
- WaterCorp commitment - \$150,000 towards construction
- Variation sought from DWER (DWER seeking from DPIRD) – to extend to December 2020
- Note DWER offer to cover Michelle's wages to end December
- Seeking re-endorsement to carry over Mayfield budget to PMD and PMD budget to enable modifications to swales and monitoring.

5. Peel Main Drain offline water treatment project: construction [PDM]

Status Report attached

- Weir and Inlet/Outlet culvert design and construction; WCorp commitment (construct + \$150,000) and variation sought via DWER (to extend to December 2020)
- Swale water treatment concept and operation
- Swale design

Construction: November–December 2020.

Expenditure and Funding to December 2020.

6. Peel Main Drain project: operation and monitoring [PDM / BradD]

- Project outcomes: scientific basis
- Swale Operation: setting water depths and flow rates  
Future interventions
- Monitoring: Flow, WQ and sediment

7. Regional Estuaries Initiative – Stage 2 [PDM]

Government has announced \$25 million extension to the REI – see media statement <https://www.mediastatements.wa.gov.au/Pages/McGowan/2020/05/111-million-dollar-investment-in-critical-regional-programs.aspx>

Note that we are unaware what this means for the Peel-Harvey at this stage.

8. Other Business [All]
