

Great Cocky Count Workshop

Join us at the Lake Clifton Great Cocky Count Workshop for a family friendly morning packed full of information on our iconic Black Cockatoos and a yummy morning tea!

Presentations from Birdlife WA and local Noongar Representatives will cover Black Cockatoo's biology, ecology, behaviour and threats as well as the cultural significance of Black Cockatoos and instructions on how to participate in the 2021 Great Cocky Count!

DATE: **Sunday 14th February 2021**

TIME: **9am – 11am**

PLACE: **Lake Clifton Community Centre** 112 Tuart Grove Rd, Lake Clifton

RSVP: essential by **8th February** as places are limited!
events@peel-harvey.org.au or **6369 8800**

Please advise any special dietary requirements when you RSVP.
