Peel-Yalgorup System Management Structure

Ramsar Technical Advisory Group (Ramsar TAG)

(or Peel-Yalgorup Ramsar Management Group)?

Function & membership: Primary management forum for the Peel-Yalgorup Ramsar Wetland System. Includes representatives from all organisations that have a direct role in day-to-day management.

Meeting schedule: Yearly in March.

Technical Advisory Group 1 (TAG):

Ecological Character Description Addendum

Function & membership: Convened during 2019 to provide input to the ECD update being carried out by the consultant (Jennifer Hale) as part of PHCC's *Wetlands & People* project. Consultation workshop held on 25th October.

Meeting schedule: One Consultation Workshop. Numerous smaller meetings carried out as and when required.

Technical Advisory Group 2 (TAG):

e.g. Climate Change Adaptation Workshop

Function & membership: Initiative of the Wetlands Section of the federal Department of Agriculture, Water and the Environment. Specialist local group to be convened to participate in this workshop (one of a series being conducted nationally).

Meeting schedule: One-off event within the next three months.

Project Group

e.g. Delta Islands Community Consultation

Function & membership: Non-technical group convened to deal with a specific issue i.e. community consultation with respect to potential Ramsar boundary extensions.

Meeting schedule: As-and-when required.
