

Landcare matters

Lake Clifton Sub-catchment

PHCC Working Together
Peel-Harvey Catchment Council

Edition 13
May 2021

Lake Clifton Landcare Matters - an update on Natural Resource Management (NRM) in the Lake Clifton subcatchment. NRM refers to the management of natural resources such as land, water, soils, plants and animals. It brings together landuse planning, water management, biodiversity conservation and the future sustainability of industries such as agriculture, mining, tourism, fisheries and forestry.

Introducing your new NRM contact

Our recently appointed Co-ordinator Land Conservation, Karen Bettink is your new point of contact in the Lake Clifton Community for NRM activities. Karen is based in PHCC's Mandurah Office and will be overseeing the Lake Clifton Catchment Conservation Stewardship Project.

The position is supported by the City of Mandurah and Shire of Waroona. If you wish to be on our mailing list, please contact Karen at karen.bettink@peelharvey.org.au

Seedling Giveaway is back for 2021!

Residents of Lake Clifton and Herron are invited to this year's Seedling Giveaway on 13 June 2021.

Please join us for a morning of knowledge sharing and networking at the Lake Clifton Community Centre.

Enjoy a yummy morning tea, catch up with your neighbours and speak to volunteers and professionals about the Land for Wildlife program, rabbit control and on-ground works around our Wetlands of International importance.

Registered attendees will receive a selection of local native seedlings.

Please turn over for more details on the event and how to register.

Another Property joins Land for Wildlife!

Over the past 30 years the landholders have revegetated the property with native species, planting both overstorey tree species and middle storey shrub species to increase the sites habitat opportunities .

The many native bird, reptile and mammal species frequenting the site are evidence that these extensive revegetation activities have been successful.

Find out more....

Karen Bettink is available to support local landholders interested in the program.

Information and advice is available on a range of topics including wildlife habitat on private land, the ecological role of native flora and fauna, managing bushland and future grant and funding opportunities.

Karen is also available to visit, provide advice and assess your property for LFW listing. If you are interested in the Land for Wildlife program please contact Karen at karen.bettink@peelharvey.org.au

For more information on the Land for Wildlife program visit www.dpaw.wa.gov.au/management/off-reserveconservation/land-for-wildlife

Nancy Fardin is one of our newest Land for Wildlife recipients. The Fardin's property neighbours Lake Clifton to the west. The property is 18ha and was described as parkland cleared when the landholders purchased the property.

Lake Clifton Stewardship Grants

Need assistance with your next Landcare project? PHCC can provide small grants of \$250.00 to \$1000.00 to eligible Lake Clifton landholders registered with Land for Wildlife. Contact our Land Conservation Officer at karen.bettink@peelharvey.org.au or 6369 8800, or visit our website for details www.peel-harvey.org.au/grants/lake-clifton-stewardship-grants/

Coming Up...

Jun 13 *Lake Clifton Seedling Giveaway registration essential (see over)*
