

# Soil testing to support better fertiliser decisions

*Expressions of interest now open!*

Join over 1100 farmers working to increase farm productivity and improve the health of our waterways and estuaries!

### Can I apply?

This program is available to beef, dairy and sheep grazing enterprises.

You must be located in one of the funding catchments: Peel-Harvey, Leschenault, Vasse-Wonnerup, Geographe, Hardy Inlet, Wilson Inlet, Torbay Inlet or Oyster Harbour.

### What's in it for me?

- Soil testing of your whole farm
- Results and advice at a local workshop
- Personalised, one-on-one agronomic advice
- Plant tissue testing

### How much does it cost?

Farmers are required to contribute \$300 to receive over \$4000 in value.
