Discover the next step in fertiliser management

Join Peel-Harvey Catchment Council on a paddock walk to find out about the uTake trials, the preliminary results and the latest technology being used to measure pasture production.

This is a fantastic opportunity to discuss fertiliser management and the science behind soil testing with fellow farmers and officers from the Department of Primary Industries and Regional Development.

uTake is jointly funded through Royalties for Region's Healthy Estuaries WA and the Australian Government's National Landcare Program.

When: 10:00 - 11:30 am, Wednesday 15 Sept 2021

Where: 1321 Buller Rd (1.3km from Coronation Rd intersection), Waroona.

Registration: contact Megan (details below) by Thurs 9 Sept

Cost: FREE – morning tea will be provided
