

FREE presentation by Darren Doherty of Regrarians®

Darren Doherty, the highly experienced and renowned pioneer in the profitable and regenerative retrofit of broadacre landscapes will be sharing his knowledge and perspectives on **Farm & Small Property Planning in a Fire Prone Landscape**

- Understanding, designing & retrofitting for fire protection.
- What are the risks? What are your capabilities?
- What infrastructure may support your fire protection strategy?
- How will you respond to changing daily fire ratings?

PLANNING for FIRE

on your **FARM** or **SMALL PROPERTY**

Tuesday
13 September 2022

7pm - 9pm

The presentation may be livestreamed. However, attendance in person will mean you are able to ask questions regarding your property.

**Waroona Community
Resource Centre**
10 Henning Street

REGISTER EARLY, PLACES LIMITED
