<https://www.trybooking.com/CFNQL>

A date not to miss—your chance to help design SWCC's trial to address the paddock challenges!

Featuring:

- ♥ ***A challenging paddock!!!***
- ♥ ***Soil pit inspection and soil analysis results discussion facilitated by **Graham Mussell (Graham Mussell Consulting)** and **Angela Street-Stuart (DPIRD)*****
- ♥ ***Participants will workshop possible solutions to improve paddock and decide which treatments will be tested.***
- ♥ ***Pasture/soil mineral issues affecting livestock health and production - **Dr Ian Bradshaw (Cattle Vets)*****

Please note, to protect our industry, persons returning within 7 days from FMD outbreak affected areas will not be admitted.

This project is delivered by the South West Catchments Council and supported by Western Beef Association Inc. It is part of the Soil Wise project, funded by the National Landcare Program Smart Farms Small Grants – an Australian Government initiative. It is supported by Healthy Estuaries WA – a State Government program.
