

Preparing for Feed Shortages and Adaptive Management

This free event, delivered through the South-West WA Drought Resilience Adoption and Innovation Hub (SW WA Hub) has been designed to assist farmers within the Peel-Harvey catchment to prepare for the Summer season by presenting information on feed budgeting, timing of calving/lambing, early weaning, strategic culling, stock health, and weather and soil monitoring technologies.

With special guest speakers:

- Jeisane Accioly (Accioly Livestock Services)
- Mark Dempsey (Gallagher)
- Philip Honey (Stirling to Coast Farmers)
- Ian Bradshaw (Vet)
- Dr Daniel Real (DPIRD) *and more!*

The event will conclude with a light lunch, providing an opportunity for farmers to connect and enjoy a meal together.
