

Future Ready Farming Soil Health Workshops

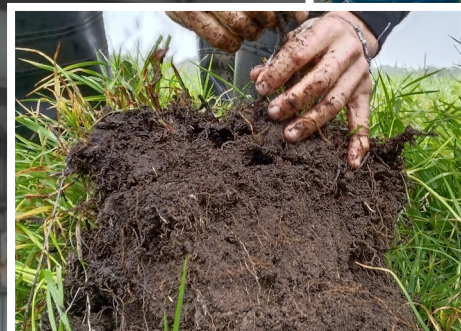

Join us for this free event featuring Mark Tupman from Productive Ecology, who will be presenting on the importance of soil health.

The workshop will provide:

- Access to valuable resources and engaging hands-on demonstrations.
- Options for improving soil health, optimising production and building climate resilience on farm.

We will conclude with a light lunch, providing an opportunity for everyone to connect.

For further details contact Georgina Warden on 6369 8800 or georgina.warden@peel-harvey.
