

Soil testing

to support better fertiliser decisions

Expressions of interest open until 20 July 2025

Join over 2000 farmers working to increase farm productivity
and improve the health of our waterways!

Can I apply?

Through **Healthy Estuaries WA**, the program is open to beef, dairy and sheep grazing enterprises that are over 40ha of arable land in one of the funding catchments: **Peel-Harvey, Leschenault, Vasse-Wonnerup, Geographe, Hardy Inlet, Wilson Inlet, Torbay Inlet or Oyster Harbour.**

The program is also open to farmers outside these catchments through the **Soils - New Horizons program.**

What's included?

- Soil testing, advice and support valued at over \$5000
- Soil sampling and chemical analysis of all eligible paddocks
- Results and advice at a local workshop
- One-to-one agronomic advice
- Plant tissue testing
