

# Community Onground Works Project Funding Opportunity

Applications open 25/08/2025 to 30/09/2025

Funding is available for eligible landholders and community groups in the Peel-Harvey Catchment for landcare and bushcare works including:

- Fencing to protect bushland
- Fencing to protect waterways and drains\*
- Weed control
- Feral animal control
- Restoration and revegetation (seedlings and seed)
- On farm native fodder/forage plantings
- Innovative native pasture plantings

*\*Drains are relevant to Swan Coastal Plain landholders only.*
