

# Holistic Management Workshop Program

**Empowering People to Shape the Future of Regenerative, Nature-Based Farming Together**

Join the Institute of Regenerative Leadership in a **6-month program** to help you make informed environmental, social, and financial decisions.

This course provides knowledge, practical skills, and a strong support network to help you succeed. You will:

- Learn to manage effectively for positive outcomes.
- Connect with like-minded land managers who understand your challenges.
- Make small but powerful changes that drive big improvements.
- Extend your growing season for greater profitability and resilience.

The program includes **two in-person 2-day workshops** at key points in the growing cycle and **support between sessions** to help implement what you learn.
